

**CITY OF TIPTON
TREE PLANTING PERMIT**

Application is hereby made for permission to plant trees within the city's right-of-way (ROW).

APPLICANT: _____

ADDRESS: _____

PHONE NO.: _____ FAX: _____

LOCATION FOR TREE PERMIT:

Street Address: _____

Legal Description: _____

PROPOSED LOCATION OF PLANTING IN REFERENCE TO THE CURB LINE, LOT LINE AND STREET INTERSECTION: _____

(NOTE: No tree shall be planted in the ROW closer than 50 feet from the intersection. Additionally, no tree shall be planted on private property inside the "triangular sight distance area" created by 50-foot restriction to the intersection. Additional clarification can be found in the 2016 SUDAS Design Manual under Street Tree Design-Chapter10B-1. Chapter 151 of The Tipton City Code has additional information and guidance on planting, maintenance and removal. Please note Chapter 151.08 Obstruction when considering your planting. Bushes and conifers are not permitted in the ROW, because of "line of sight issues".)

TYPE OF TREE: _____

This application is made in accordance with Chapter 151-Trees of the Tipton City Code as it pertains to planting trees and shrubs.
